A MISSIONS PROGRAM WHERE KIDS CHANGE THE WORLD

EXECUTIVE SUMMARY

Later @ St. Luke's is a participant of the Mission Possible Kids Mission Program (a.k.a MPKids). This is a national program within the United Methodist Church structure, originated within the southern states. This program is geared toward kids in grades 1 thru 5. The program empowers kids to change the world through helping others. It is a hands-on program that gets them excited and involved in mission opportunities, such as supporting U.S. Troops overseas, making gifts for kids in need, collecting food for food banks and much more. So far, over 200,000 lives in 51 countries have been touched by the mission efforts of the MPKids program across the US.

MPKIDS PROGRAM

MISSION POSSIBLE KIDS centers on kids as “special agents doing God’s work” and makes the work fun. Agents “go on missions,” earning Mission Stars for their MPKids t-shirts. For every six missions they gain a promotion in Special Agent status. The kids love being special agents and doing something so important. Each MPKid can touch as many as 100 lives in one school year. Missions are planned during a school year and scheduled on a weekly basis at the church along with scheduled field trips. A world map and mission tracker banner is used to record their successes. An agent registration fee (paid by parent) is required of \$20, which includes a t-shirt and lifetime membership to Mission Possible Kids.

“And a little child shall lead them.” Isaiah 11:6
