

In an effort to support children within our communities,
YouthWorks will be collecting

SCHOOL SUPPLIES

throughout the summer.

Our goal is to provide the necessary items that are needed
but not always available.

You can help!

We invite you to take part in this effort by purchasing and bringing school supplies to your YouthWorks community this summer. Staff members will collect the materials and distribute them to individual children and local organizations as needed.

(Please note that distribution may not take place the week you are on site.)
