

St. Luke's Serenity Walk

An indoor walking path-0.2 mile

Great for hot, rainy, or cold weather

Start at any point in the circuit

Door 6 - walk towards the main sanctuary

Sanctuary -walk towards blue stained glass window

Turn left(north) at the stained glass window-the East Passage

Turn left at the exit doors - walk towards Robertson Chapel

Turn right at the Fallen Christ statue -walk to Door 6

Continue the circuit 4 more times for a mile!

Sponsored by Health Ministries Commission

St. Luke's Walking Paths

Back (North) Parking Lot-0.4 mile

Start at any point in the path

Door 6 sign- walk towards back of church (north)

Around Door 7 & down the sidewalk to Door 8 sign

Turn right & walk to Door 15 sign

Walk the sidewalk by the playground and then start to follow the perimeter of the parking lot

Pass by the large evergreens, a noisy electrical building and head north to the labyrinth sign

From there go past the garage and a shed and circle the edge of the lot

Cross the driveway from the west side of the parking lot to Door 6

Great to start at Door 6 as there is a drinking fountain inside

Front parking lot-0.3 mile

Make a complete rectangle walking all four sides of this lot

The Big Loop-0.8 mile

Walk both the front and back parking lot together to gain a tenth of a mile!

Start at any point in the path

Door 1 sign- head north or to the back parking lot towards Door 6 sign

Do the back parking lot path

From the back lot continue to the front parking lot

Finish at Door 1 Sign

Go inside past the stained glass window for a fresh drink of water!
