college-age

We connect with college students each semester by sending care packages, visiting students at in-state schools, and providing hang-outs during breaks for all students. We are planning a retreat (June 10-12) and regular meetings throughout the summer, so look for more information in our next publication and check us out on facebook.

weekly offerings

JR HIGH

WIRED

WIRED is the Sunday morning time for students in grades 6-8 from 9:30-10:30, which meets in the Lodge. This environment is designed to connect students to each other, God, and to be "wired" by the energy of a welcoming experience, music, teaching, and discussion.

amped

AMPED is the Sunday evening time for students in grades 6-8 and focuses on small groups. This time includes activities, music, a short teaching, and small groups. Students take the same topic from the morning and discuss it further in small groups at AMPED. Small groups are based on gender and grade and an adult leader facilitates each group.

SR HIGH

WAKE UP 9:30-10:30am
 1) with starbucks @ the lodge
 2) @ the big house

Come enjoy hot Starbucks and conversation to help you wake up on Sunday mornings. At Wake Up w/Starbucks @ the Lodge, students will experience casual discussion on a specific topic in the cozy café. The Big House group starts off in the café for coffee, then heads to room N103/104 to dig a little deeper into faith and life application.

LIVE! @ the Lodge

Sr. High's Sunday night youth group meets from 6-7:30pm at the Lodge. Each evening includes a time of music, a short message, small group discussion and hangout time, and fun games. All Sr. High youth and their friends are welcome!
